

# Keep Your Yogurt COLD With ADMIRAL REFRIGERATION

Is your water bill too costly?  
Having fluid cooler or chiller issues?

**Call Admiral Refrigeration!**

Admiral is southern California's leading installation and service contractor specializing in fluid cooler and chillers that provide glycol cooling to your soft serve yogurt machines.

We can help maximize the efficiency of your fluid cooler or chiller to reduce your city water usage.

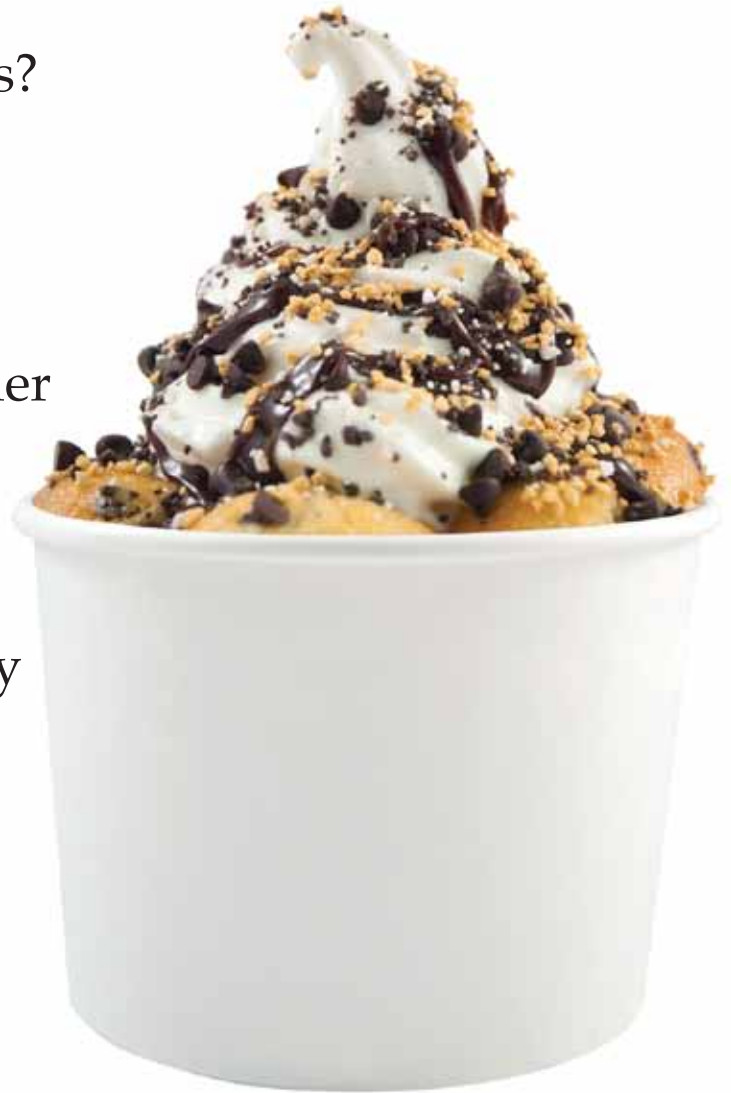

Admiral also services walk-in coolers and freezers, reach-ins, cold pans and ice machines.
